Hi Casey and Dan,

Thanks so much for taking the time to chat with us today! Here are some electronic copies of the materials showing the extensive consultation and community outreach that Calista, the Kuskokwim Corporation, and the Donlin project have collaborated in with outstanding permitting across the Obama, Trump, and Biden Administrations.

Would be great to see a copy of the letter you referenced please. Don't hesitate to call or email if I can be of assistance with anything and we look forward to the next time we get to talk!

Thanks,

**Miranda Strong, JD/MPA | Director of Government Relations**
